

Holy Name Parish 50/50 Raffle Rules

1. **All** participants **must use** the regular collection envelope (online parish giving honored) **AND** corresponding 50/50 envelope for the week.
2. **New** parishioners become eligible for the raffle activity only when they receive their first envelope package after their enrollment in the parish.
3. Participants must deposit a minimum of \$5.00 in their regular Sunday collection envelope **AND exactly** \$5.00 (**no more no less**) in the corresponding 50/50 envelope for the week. If a check is written, the check must be made payable to **Holy Name Parish 50/50 Raffle**.
4. All 50/50 envelopes **must be in** by Sunday 11:00 a.m. Mass.
5. If you will be out of town and want to participate in the 50/50, remember to use the corresponding 50/50 envelope with your weekly contribution envelopes for the week/weeks of being out of town. These envelopes must be 1) mailed in advance to the Parish Office for receipt by Friday to be eligible for the following Sunday drawing, 2) place the envelope/envelopes in the collection basket of the last Sunday that you attend Mass at Holy Name prior to leaving town.
6. Your collection envelope number as assigned when joining Holy Name Parish will be used in all drawings. **Drawings are held no later than Tuesday** of the following week in the Parish Office.
7. If your number is drawn and you are a participant by the above rules, and the one below listed exception, your winnings will be half of the pot (Total 50/50 as collected for the week). The other half is paid to the Parish.
8. If the number drawn did not have a participant for the week, the totals as collected for the 50/50 will **"ROLLOVER"** into the following week/weeks.
9. Winning numbers are posted in the back and side entrances of the church and are posted in the weekly bulletin. Parishioners can also contact the Parish Office for the winning number, if need be. Winners will be contacted by the Parish Office.
10. Winnings are paid out weekly, when a winner is drawn.
11. Lastly, but important, if you did not receive your monthly packet of envelopes, to participate in the 50/50 drawing, you need a substituted envelope, which can be acquired from the parish office. Doing this will make the Parish Office aware of issues with parishioners not getting their monthly packet.

FAILURE TO COMPLY WITH THE ABOVE RAFFLE RULES WILL RESULT IN AN INELIGIBLE ENTRY
